

Target Market Statement: AXA XL

The purpose of this document is to explain the identified target market and the expected distribution strategy for each insurance product manufactured by AXA XL. Specifically, it provides information on a product category level about the main features and optional covers associated with each product and clarifies who our products are designed for and who they are not appropriate for. This Target Market Statement also explains the way our products should be distributed and provides information around the complexity of our products and how to ensure that a product provides fair value to our customers as intended.

Product Name: Private Collector

Product Type:	General insurance product suitable for private and corporate collectors of art and/or other types of collectables.
Who is the product designed for?	Anyone who collects art and/or other types of collectables in a private capacity (Special types of this product exist for jewellery, classic cars, musical instruments and wine and spirits).
Who is the product not appropriate for?	Anyone looking to insure items which are not collectable (e.g., general contents), anyone looking to insure a business which trades in or provides services around collectables.
What customer need is met by this product?	Insurance coverage for loss, damage, or expense in relation to multiple classes of private collections, including fine art, collectibles, wine, antiques, musical instruments, comic art, sports memorabilia, rare books, stamps, coins and more.
Target market - are there any specific characteristics, including, customer vulnerability, that you should be aware of?	There is the possibility of vulnerable customers from time to time, but nothing inherent. Examples could be customers who may have become vulnerable due to health/life events, events such as bereavement, financial issues etc.
